Class Counsel respectfully request that the Court enter the following Order regarding certain conduct related to the proposed settlement by third-party claims filing company, Settlement Recovery Group, LLC (“SRG”).

NOW, THEREFORE, IT IS HEREBY ORDERED AND DECREED as follows:

1. SRG must cease and desist telephone solicitations that misleadingly suggests a deadline by which class members must act and that further suggests that class members must contact SRG to file a claim.

2. SRG must correct the statements on merchantclaim.com which indicate that SRG is the only means by which merchants can receive recoveries.

3. SRG must include reference to the Court-approved website, [www.paymentcardsettlement.com](http://www.paymentcardsettlement.com), in the frequently asked questions section of its website and explain that merchants can get information regarding the litigation by visiting the official Court-approved website or by contacting the Class Administrator or Class Counsel.

4. SRG must provide a contact list of all merchants that have signed up for its services to Class Counsel and allow all merchants wishing to cancel their contract with SRG to do so.

5. SRG shall be ordered to send all merchants who signed up for its services a notice that its contracts may be voided at their option and include information that a claims process has not yet been finalized, but that should a settlement be approved, the Class Administrator and Class Counsel can assist class members with claims filing at no cost.

IT IS SO ORDERED.

DATED: \_\_\_\_\_
